21st Annual Meeting

APRIL 10, 2008

Valle Vista
755 E. Main Street, Greenwood, IN
www.vallevista.com
812.882.2955

Pre-Conference

APRIL 9, 2008

7:00 pm -9:00 pm

Lee's Inn Greenwood
1281 S. Park Drive, Greenwood, IN
317.865.0100

Pre-conference Objectives:

1. Explain completion requirements for successful AACVPR Program Certification or Recertification application.
2. Identify application tabs that create the most difficulty for the application process
3. Name simple solutions to enhance a successful application

Conference Objectives

4. Describe ISCVPR 2008-09 goals and opportunities, 2007 successes, Society needs
5. Comprehend the progression of valve disease requiring surgery
6. Identify a national study of aortic valve replacement with lower anticoagulation requirement
7. Explain the impact of mitral valve repair over replacement
8. Valve Center as a model for patient care
9. Describe prevalence of CV disease among women, trends in mortality, recommended contemporary treatment
10. Explain the inverse relation between cardiorespiratory fitness & mortality, with specific reference to women
11. Review recent studies comparing outcomes of revascularization versus medical management of CAD
12. Familiar with O2 delivery systems and emphasize role with pulmonary rehabilitation.
13. Patient education models for O2 delivery systems and care.
14. Return to own rehab program with approaches to incorporate a case management/risk factor management in a Phase 3 setting.
15. Understand the current status of Medicare reimbursement as it relates to cardiac and pulmonary rehabilitation.

16. Comprehend CMS's MAC reimbursement model, and how that will affect IN cardiac and pulmonary program function and reimbursement.
17. Appreciate update on our current legislative bills, S329 and HR 552.
18. Distinguish between counseling, consulting and coaching
19. Explain the growth benefits of coaching
20. Demonstrate coaching techniques that can enhance clinician/patient interactions

Pre-Conference:

Wednesday, April 9, 7:00 pm - 9:00 pm

Program Certification & Recertification

Susie Carter, BSN, FAACVPR

Course Description

This symposium is designed for primary care physicians, nurses, respiratory therapists, exercise physiologists and those involved in primary and secondary prevention of CVD and pulmonary disease.

The focus of the presentation is to provide current information to the health care professional relating to the total management of the patient with coronary and pulmonary disease and other chronic illnesses.

Contact Hours

Approval is pending for contact hours through the following organizations: ISNA/ANCC, AARC.

Contact Hours are available at **no cost**, at the registration table at the completion of the conference.
