Course Description

This symposium is designed for primary care physicians, nurses, respiratory therapists, exercise physiologists, and others involved in primary and secondary prevention of CVD and pulmonary disease. The focus of the presentation is to provide current information to the health care professional relating to the total management of the patient with coronary and pulmonary disease and other chronic illnesses.

Contact Hours~

An application will be submitted to the AACVPR and AARC for approval of contact hours.

Contact Hours are available at no cost, at the registration table at the completion of the conference.

The ISCVPR would like to thank all of our sponsors for their generous support of this meeting. Please take the opportunity to visit their displays.
